

PREMIUM MAX PRO

Ideal for big studios

Your needs

- Your studio employs several people and offers many courses.
- You need an efficient salary system that includes a bonus system in combination with hourly and monthly salaries.
- You want to inform your customers about offers and changes promptly.

Product description: The Premium MAX PRO offers a comprehensive and professional solution for the digitalization of your studio, which takes your studio to the next level. The core of MAX PRO is a salary system that allows you to record and manage your employees' salaries. This package also helps you to stay close to your customers: The news page, exclusively available to you in this package, keeps your customers well-informed. The ideal package for well-established, big studios.

Everything from Premium MAX

Benefit from extensive functions and solutions with a lot of comfort.

Professional administration +

Work with our salary system and always keep track of your employees' remuneration.

Customer focus

Inform your members promptly and market your new offers.
